HOW TO GET THERE FROM SEOUL: SUBWAY: fFrom Samgakji Sta. (BLUE LINE) Travel South to Geumjeong Sta (PURPLE LINE) #443, to Songtan, #P161. Exiting the Songtan sta.: can either go down stairs on the RIGHT and across parking lot, going straight along the overpass on green walkway to next street, (OR - just go out to street TURN RIGHT and down to next street), TURN RIGHT, again. There will be a mural painted wall about half the length of the street!

Head up this street to the over pass, TURN LEFT, to end of over pass. This wall is also a mural painted one. Pass Asia Hotel, continue straight, it is only about a block at this point and one can see the 'Y' in the road (to the right is the main gate to Osan AFB)

When at the corner, look up to LEFT and you can see LIONS DEN on 2nd floor.
