

## Turkey Naşhash 2014

– first flyer

Ordu Karadeniz HHH welcomes all Turkish hashers to attend the **Turkey Naşhash 2014** to be held in and around Ordu over the weekend **20 – 22 June 2014**

Only established in October 2013 OK H3 look forward to showing you rural north Anatolian Black Sea Turkey with green spectacular scenery as well as sharing a few Efes with you.

A representative from Barrel and Noddy Tours (B&NT) says that 'this event will be exactly like the Historic Hittite Hattusha HHH (H6) except that it will not be Historic, there will be no Hittites and it is nowhere near Hattusha!

Accommodation will be 5\* (however the 5 stars is an accumulated total from all hotels to be used!)

Accommodation could be hotel, dormitory type or apartments – be patient and flexible and we will try to give you each what you want – all accommodation will be clean and tidy but see above regarding number of stars!

This is real rural Turkey so do not expect luxury, or fish and chips, or Irish pubs etc

Run site areas will include mountains, lakes, rivers, waterfalls – expect to get wet – and also lots of other stuff like grass and trees and, for our Welsh and New Zealand contingent – sheep. (Including some pretty ones)

The Ordu Black Sea area promotes itself as 'the land of O<sub>2</sub>' and you will get lungfulls of good clean mountain air.

### **Costs**

For basic hash weekend as above the cost is 300 YTL and for that you get 3 nights B&B accommodation, meal on Saturday night + 2 hashes with beer at circles and a 'packed lunch' + All transport between hotels and run sites + Turkey Naşhash 2104 t-shirt.

### **Extras - Run 3**

As many hashers will be travelling a long way to come to Ordu we are planning an extra day for those who want to stay longer which will involve a hash run at Sumela, Trabzon.

That will be on Monday 23<sup>rd</sup> June and will include transport from Ordu to Sumela, hash run and beer at circle, visit to Sumela Monastery. Return to Ordu and accommodation in Ordu. Meal after run and on return journey to Ordu will be extra but we will negotiate 'hash' rates. Beer stop in Trabzon will be another extra to the extra.

Cost for transport, hash run and beer and accommodation in Ordu is 100 YTL.

### **Extras – other**

If there is interest we can arrange even further hashing/sightseeing/visits etc to beyond Trabzon – we recommend Ayder, Artvin, Yusufeli – but this will depend on numbers and the amount of time people will be spending in the area. Whatever you want to do we can help.

### **Registration Form**

See attached – please complete and send to Noddy – 50 TL non-refundable deposit will get you registered. We will not request full payment yet as we know hashers like to pay as late as possible and there is over 8 months before the event. However, all those who send a registration form and deposit will get further flyers and information re payment details. Beers bought for Barrel at Fethiye birthday weekend will get you priority with regards to accommodation, extra beers over Naşhash weekend etc..
