

Yep, we've have been hashing in Warsaw, Poland for **40 years!!!**

Are we going to celebrate this auspicious milestone? Well, yes we are!! But we are a small (and somewhat lazy) pack and are only now working (pass me a beer!) on the plans!

### **Well, What's The Plan, (for now!)?**

The proposed dates for this celebration is **15-17<sup>th</sup> September 2023** and may look like this:

- **Friday:** meet & greet drinks and most likely a short trail
- **Saturday:** run(s)/walk(s) and an evening celebration
- **Sunday:** hangover walk/run and more beers

Details *very* are loose at the moment and will likely remain *pretty* loose until the actual day!! But, this is a Hash, and you can be sure beer and much fun will be involved!

### **What Do I Need To Do?**

Check the date, put it in your diary and register your interest by sending an email to [witchdoctorh3@gmail.com](mailto:witchdoctorh3@gmail.com). Let us know your name/Hash name, Mother Pack and details of any additional people who may accompany you. Our Facebook event is <https://fb.me/e/4aWgepLIH>

### **Travelling From Abroad?**

If you are visiting from outside Poland, we'd love to see you here in Warsaw. We will **not be** organising any travel or accommodation (of which there is plenty) for our guests. We can, of course, provide some guidance on where to look if requested.

We will be issuing further details to those who have expressed interest in the coming weeks.

So, get planning and we'll see you in September!

On-On!
