#### 2008 is the 25<sup>th</sup> anniversary of the Warsaw Hash House Harriers!

To celebrate this great event, we are holding a weekend of hashing over the weekend of May 1-4 2008 (May 1 being our official birthday!). May 1 (Thursday) & 3 (Saturday, but transferred to Friday 2) are public holidays in Poland, so we can have a 4-day weekend to celebrate! That's at least 3 hang-overs!!!

So what can you expect? Well Mis-management has thought long and hard about the event (well we had a couple of pints & a pizza) and come up with:

- **DAY 1** - Thursday May 1: Early Arrivals/Registration, meet up with old WH'ers, have a few beers.
- **DAY 2** - Friday May 2: Late Arrivals/Registration, Hash Run in central Warsaw, surprise trips. Return to Hash Hole, have a few beers and maybe a snack or 2.
- **DAY 3** - Saturday May 3: THE BIG ONE! Details still being worked on by the committee (pass me beer...). You can expect long trails in the National Forest near Warsaw, beer, food and a full evening to catch up on those old hash tales. Oh, and we plan to stay the night in huts on an organised camp site. Accommodation costs for this night will be included in your fees.
- **DAY 4** - Sunday May 4: Breakfast, followed by The Hangover Run! You know you want to!! Return to Warsaw for early afternoon (around 2pm), if you're leaving Warsaw. For the rest of you On On for a beer or 2.

And that's it – 4 days of hashing heaven and a chance to catch up with all those old WH3'ers and see how Warsaw is looking since you were last here (if you ever have)!

Details for all events are still being polished up, but you get the general idea. So what are you waiting for?

So What does all this cost? €95/person if your are registered and paid before end March 2008 and €120/person to end April. Costs will cover the costs for your goodie bags, T-Shirts, beer (and soft drinks for wimps) for down downs, music, transport and food (for all days except Thursday). Accommodation will be arranged for Saturday night, but you will have to organise and pay yourselves for other nights. We have arranged for a discount at the centrally located Marriott hotel at around €85/room (exchange rate dependent), just mention the HHH when reserving. The full amount of fees will be payable in advance, which will be used to secure your accomodation, transport and other essentials for the weekend.

Cancellation Policy: 100% returned for cancellation **before** end March & 50% **before** 30 April (minus bank charges). From 30 April no refund can be made, sorry.

If you are interested in attending this event, please complete the registration form and send to [wh3\\_25@yahoo.com](mailto:wh3_25@yahoo.com) for processing. This does not guarantee participation – we need your cash in the correct amount to complete your registration.

See you in May!

On-on!!!
