World Hash Events November 2026

Greetings Hashers,

I just glanced at the calendar, and recalled that this November marks the 60th anniversary of the very first all **Hen / Harriet / Harriette** hash club. Let's take a look at the history of our fine ladies of the hash.

The first recorded women's version of HHH is the [Brunei Hens](#) which were founded on 21 Nov 1966, by Robert Tiepel (no mention whether he ran with them or not).

The [Ipoh Harriettes](#) are next, and were founded on 29 Aug 1968, by Loke Kai Heng.

In discussion with a previous GM of the Ipoh Harriets, Boon Lee Lim, she explained to me that the Ipoh Harriets claim the historic title of the first mixed HHH club. Now, 60 years later, there are numerous variations of mixed and Harriette only HHH clubs all over the world.

Intermixed with all the Men Only and Women Only hash clubs, currently, the predominant form of hashing club is mixed for both men and women. When a Men's Only hash club allows women to join, it is usually called an OPEN RUN. Having run with nearly 500 hash clubs around the world, I do not ever recall women being required to act or perform any silly antics on an open run. ON THE OTHER HAND, I have run with many

Harriette hash clubs and they often require many silly and/or limiting actions by the men. Examples (from my own experience) include the Mission Harriettes in California, USA where men were required to remain behind two women at all times on trail. Another example is the Tokyo Ladies HHH, where only women were allowed to hold committee positions. The Harriettes of Oahu (HO Hash) and the No Strings Attached H3 in Florida, do not normally allow men, but when they do, they must wear pink. Also, the Kuala Lumpur Harriettes and Bangkok Harriettes, where a woman is always the GM, but they are just a mixed hash club beyond that.

The silliest requirement for men on a Harriettes club I have ever heard of, was discovered on a hashing excursion I made to Ecuador. This involves a requirement on the [Galapagos Boobies H3](#), founded by Jill 'Front Bun Flasher' Pether on 1 June 2014. Jill had previously hashed with the Batu Hijau H3 in Sumbawa, Indonesia and the Kiribati H3 before that. She was assisted by Cindy 'Tuna Helper' Cook. I was able to track down Jill, and she told me that the "GBH3 was set up as a women's group with men accepted. They had to carry eggs on their first run, symbolic of our eggs." She has since moved on to Australia, but still has fond memories of her time in the Galapagos. Unfortunately, the Boobies have been inactive for several years now. Note: Yes, I know some clubs make virgins carry things, like a banana on trail, but it is not limited to one sex or the other.

After conducting extensive research through the archives, the following are the first 10 recorded Women's Hash clubs w/ date founded:

Brunei Hens	21 Nov 1966
Ipoh Harriettes	29 Aug 1968
Kota Kinabalu Bunnies	10 May 1970
Ladies of Hong Kong H3	15 Jun 1971
Sandakan Harriettes	31 Dec 1971
Kuching Harriettes	20 Jun 1972
Penang Harriettes	21 Nov 1972
Singapore Harriets	17 Oct 1973
Kuala Lumpur Harriettes	18 Jun 1974
Port Moresby Harriettes	30 Sep 1974

There were potentially some mixed clubs that formed during the 60s and 70s, but the records are unclear as to when they transitioned from Men Only to Mixed. There are also isolated incidents of some women being allowed to run with Men Only clubs during this period, to include one Judy Prosser (an Aussie consulate member) that was a regular on the Jakarta Men's Hash in the early 70s. Another example would be the Bangkok Monday H3. Originally a Men Only hash, the Bangkok Monday H3 became a mixed hash on 15 May 1984 (run #56) when through much persistence, Wichanee 'Imelda' Charuthas became the first female 'new boot'.

Another instance was, according to the club website, the very first run of the Colombo H3 in Sri Lanka had 40 runners on that first trail, including two women (Handwarmer and Iron Lady). At one point in 1984, Handwarmer injured her knee and could not run for a bit. The wife of another hasher was allowed to join the Monday hash, and enjoyed it so much she started bringing more women along. Well, this went on for a couple weeks and before you know it, the old boy's network started to revolt and declared that the Colombo H3 would become a Male Only club. In a show of uncommon grace, they did allow the original ladies to continue

on as honorary gentlemen. The change in membership to male only caused a stir in the hashing community, and the forming of the Colombo Harriettes on 20 Jun 1984. According to the hash genealogy, this club was founded by Mike 'Climb Every Mountain' Hill, as a mixed hash club. Originally it ran on Wednesday, but has since shifted to Saturday to allow for travel to more areas around the island.

The title of oldest active Harriette is bestowed upon Rajendar 'Glamour' Kaur, born 9 May 1933, has been an avid hasher for 60 years now. Her first hash was on the Brunei Men's H3 in 1966, during a short period when women were allowed to participate. Once the number of ladies had grown, they were encouraged to start their own club (and leave the men to their own fun), and the Hen House Harriers, the first ladies hash ever, were founded on 21 Nov 1966. Glamour participated on their first trail and was the first hen to achieve 100 runs, and the second to achieve 200. Unfortunately, at one point in the 70s she moved to another town to operate a branch of the family business. Sadly missing out on the weekly fun, Glamour asked for the Hens to move their hash day to Tuesday when her shop was closed. They agreed, and Glamour was able to rejoin the ladies hash, and it has remained on Tuesday ever since. Glamour states "There are so many things I enjoy about the Hash such as Halloween runs, 7and7 runs, Head dress runs, Pajama runs and so on." She has also traveled to hash events in Kuching, Kota Kinabalu, Bali, Tawau, and Labuan, and has "at least 60-70 hash t-shirts in her collection. Sixty years is a long time to be a member of one hash club. She said, "Many of the ladies that participated were expats, so contact has been lost with most of them." Although, she does keep in touch with two dear friends in the UK, who hashed with the Hen's in the 1990s, and both have returned from time to time to visit her. Contributing to the hash, she has held positions as Grand Mistress, Egg Collector, and various other Committee positions. She still attends the Ladies Hash nearly every Tuesday, and has participated in over 1450 trails. Now at 93 years of age (and due to an old knee injury), she cannot run any longer, but is still a regular attendee to walk around and see her friends on the hash.

So let's all give a cheer for the harriettes . . . They're alright, they're alright . . . you know the rest.

HASH HISTORY:

The Earliest Recorded Rules of the Hash House Harriers

Devised late one night in 1950 by an Irish accountant, Frank D. "Don" Kennedy, who was then HonSec for the HHH at the time.

In 1949, Kuala Lumpur began requiring clubs of all kinds to register with the city. The document below was drafted and submitted in 1950, with actual approval stamped on 9 Feb 1951. While a common theme of hashing is "there are no rules," this club registration were the original rules.

Basics

1. This Association shall be known as the Hash House Harriers.
2. Its place of meeting shall be at any club or premises in Kuala Lumpur at which permission to meet has been obtained, and its address for correspondence shall be at 633 Circular Road, Kuala Lumpur, until further notice.
3. Its objectives are:
 - (a) to promote physical fitness amongst its members
 - (b) to get rid of weekend hangovers
 - (c) to acquire a good thirst and to satisfy it with beer
 - (d) to persuade the older members that they are not as old as they feel

Membership

4. Membership is open to all male persons who are interested in taking part in a weekly cross country paper chase.
5. A person wishing to join the Association submits his name and address to the Hon. Secretary and is thereafter considered to be a member until such time as he notifies his intention to resign or ceases to pay his subscriptions as they become due.

6. No entrance fee is payable by new members.

8. The Hon. Treasurer will notify all members as and when subscriptions become due. If a member falls in arrears with his subscriptions for more than three months, he shall be deemed to have resigned and will not be entitled to take part in any future activities of the Association. No legal action may be taken by the Association against a former member for non-payment of his debts, and any loss occasioned by failure of a member to pay his dues will be borne by the remaining members.

9. The management of the society is vested in a General Meeting of the members presided over by the President. At least one quarter of the total membership of the Society must be present at a General meeting for its proceedings to be valid.

11. At least two weeks notice will be given of an annual general meeting and of any other general meeting. The following points will be considered at the Annual General Meeting:

12. A Committee consisting of the following shall be elected at each annual general meeting:

- The members of the Committee shall have power to co-opt additional committee members or to elect a new President, Vice President or Hon. Secretary and Treasurer, in the event of the holder of these offices being unwilling or unable to serve.

13. Committee meetings shall be held at such times as may be considered desirable. At least seven days notice of such meetings will be given to committee members. At least one Joint Master and the Hon. Secretary and Treasurer must be present at a committee meeting for its proceeding to be valid.

14. The duty of the Committee is to organize and supervise the daily activities of the society and to make decisions on matters affecting its running when the general meeting is not sitting. It may not act contrary to the express wishes of the general meeting without prior reference to it, and always remains subordinate to the general meeting.

Office Bearers

15. The duties of the office bearers are as follows:

(a) The President shall act as Chairman at all general and committee meetings. He shall also represent the Society in its dealings with outside persons.

(b) The Vice President shall deputize for the President in the latter's absence. It shall be the duty of the President and Vice President as Joint Masters to count the numbers of runners at the start of each meet and to ensure that all have returned to the starting point before the remainder have gone home. On the occasion of the "meet", they will appoint two harriers to act as "hares" for the ensuing meet.

(c) The Hon. Secretary and Treasurer shall keep all books and records of the Association and shall be responsible for their correctness. He shall collect all monies due to the Association and shall disburse all monies payable by it. He will not keep more than \$10.00 in the form of cash and any money collected by him on behalf of the Association shall be paid into the Association's bank account. Cheques for withdrawal from the bank will be signed by the Hon. Treasurer. Full details of all receipts and payments will be recorded by him in a Cash Book, the entries being supported where possible by document and vouchers. It shall be the duty of the Hon. Secretary and Treasurer to notify members in advance of the date and starting place of each run.

Weekly Runs

16. Members who are appointed as "hares" for a meet will arrange to supply the necessary liquid refreshment and shall be entitled to recover from the Hon. Treasurer the cost of all liquid refreshment, and shall be entitled to recover from the Hon. Treasurer the cost of all drinks, cigarettes and ice consumed. "Hares" will be held responsible for bringing mugs, bottle openers, ice, cigarettes, beer, ginger beer, paper and haversacks to the starting place and will hand over the non-consumable stores to the "hares" for the following week's run at the conclusion of the meet.

17. Reasonable gaps in the trail may be left by the "hares" and false trails may be laid at their discretion. Gaps and false trails must not exceed 50 yards in length and should be considerably less in belukar or difficult country. Scent should be sufficiently strong to enable hounds to spend most of the time in following it and not in wandering round in circles looking for odd scraps of paper.

18. "Hares" are permitted to start 10 minutes before the time scheduled for the hounds to move off.

Audit

19. Two persons not members of the Committee will be elected as Hon. Auditors at each annual general meeting. They will be required to audit each year's accounts and to present a report on them to the annual general meeting. They may be required by the President to audit the Society's accounts for any period within their tenure of office at any date and to make a report to the committee.

Prohibitions

20. (a) Gaming and opium smoking at the meets and the introduction of females and bad characters on runs are prohibited.
- (b) The funds of the society shall not be used to pay the fines of members who have been convicted in court.
- (c) Neither the Society nor its members shall attempt to restrict or in any other manner interfere with trade or prices or engage in any Trade Union activities as defined in the Trade Union Enactment, 1940.
- (d) The Society shall not hold any lottery, whether confined to its members or not, in the name of the Society or its office bearers, committees or members.

Amendments to Rules

21. No alterations or additions to the rules shall be made except at a general meeting, and they shall not come into force without the prior sanction of the Registrar of Societies.

Interpretations

22. In the event of any question or matter arising out of any point which is not expressly provided for in the rules, the committee shall have the power to use their own discretion.

Dissolution

23. In this Rule, a "member" shall mean anyone who is, in accordance with the Rules of Society, entitled to vote:

- (a) The Society shall not be dissolved, except with the consent of not less than 3/5ths of the members of the Society expressed, either in person or by proxy at a general meeting convened for the purpose, or by postal vote.
- (b) In the event of the Society being dissolved as provided above, all debts and liabilities legally incurred on behalf of the Society shall be fully discharged and the remaining funds will be distributed in such a manner as may be decided by the majority of the members at the general meeting convened for the purpose of dissolution.
- (c) Notice of dissolution will be given within 14 days of the dissolution to the Registrar of Societies on Form A, signed by the Committee.

Ed "Hazukashii" Howell ran his first hash trail in October 1984 and was immediately addicted to this wacky sport. After 41 years of travel and trails, as of the publishing of this book, Hazukashii has run more than 4000 trails, in 138 countries on all 8 continents, with 465 hash clubs around the world. He has also hared more than 730 trails on his way to meeting numerous hash icons and drafting the history of hashing as it migrated all over the world. His free website, <https://GoToTheHash.net> has been online since January 1998, and provides international club contacts, a calendar of events for the next 3 years, and all the other key details of the history and other aspects of hashing.
